In an attempt to ensure fairness and integrity in the sport of high school tennis, the MHSTeCA has required all challenge matches/matches be documented in reference to the filed claim. Challenge matches are an essential part of the tennis team structure, crucial for protecting the integrity of team match play and establishing a justifiable line-up.

By signing this document, players, coaches, and athletic directors acknowledge an understanding of the importance of this principle and are verifying that challenge matches have been executed with the highest level of sportsmanship, integrity, and honesty.

Violation or purposeful false reporting of challenge matches is punishable by penalties outlined in the claims committee overview. The MHSTeCA is committed to providing a fair and equitable standard for schools in all divisions and high school competitions. This form helps ensure this process.
