

Michigan HS Tennis Coaches Association
mhsteca.org

The MHSTeCA offers an opportunity for tennis coaches to work together toward the improvement of both individual and collective facets of HS tennis. Our website gives coaches a place to join the association, hear from other coaches, as well as providing many other features. Membership gives coaches the ability to apply for Academic Team and Individual awards, Regional Coach of the Year eligibility, the mentoring of new coaches, as well as MHSCA membership. There is a free membership for first-year coaches; otherwise, the annual dues are \$25.

tennisreporting.com

This website is mandatory for tennis coaches to enter their scores from matches and to complete forms for the Regional and State Finals tournament. The coach can get a code to sign up for this website for free by watching the MHSAA tennis rules meeting where the code will be revealed. As the season progresses, this website is the best resource to utilize for results from across the state.

mhsaa.com

This website will help coaches complete the mandatory rules meeting and to learn about important events and dates such as the first day of allowed practice or competition and possible dates for the Regional and State Finals tournament.
